Graph

Two of a kind: Graph conference chairs and tables come in complementing forms and materials.

Graph

30 range conference chairs/300 range tables, design: jehs+laub

Graph is the ideal choice where superior comfort and uncompromising quality are required. The name of the range, designed by Markus Jehs and Jürgen Laub, refers to its graphical aesthetic. And it's this feature the chair owes its name to: the seat shell is cut through horizontally and vertically and then reassembled. The upshot is an intriguing mix of a fluid form and clear lines, closed and open areas, harmony and contrast. The same goes for the matching tables and their suggestion of lightweight elegance. Whether they're destined for large conferences, small meetings or executive offices, Graph tables and chairs are an appealing combination due to their impressive finishes, exclusive materials and flawless craftsmanship. As a result, Graph is already one of tomorrow's classic items of furniture.

300 Tables
120 x 200/240 cm and 130 x 280 cm, height 73 cm

A distinctive design and exceptional comfort: the Graph conference chair offers three-dimensional flexibility due to its first-class upholstery and a supporting leaf spring underneath the seat.

Graph conference chairs and customised tables configured to ensure meetings run smoothly.

A flexible chair with a touch of prestige: to leave room for the height-adjustable swivel-mounted column, the designers created a slightly flatter five-star base for the executive chair on swivel casters.

Chair details

Aluminium frame
with a signal white coating

Aluminium frame
with a black coating

Models 301/7 and 302/7 with
precision-adjustable seating height
via a gas lift

The combination of various frame finishes with especially high-quality upholstery materials from the Wilkhahn fabric and leather collection opens up a broad range of design options. Add different styles of star bases and you fulfil all functional requirements too.

Models 301/8, 302/8 with
an integrated die-cast aluminium
rocking mechanism

Chair frame with castors

Chair frame with base glides

Chair frame with glides

Stylish and spacious: the Graph table tops extend way beyond their base frames so that they appear to be floating on air and the shape of the frame leaves plenty of leg room.

Details of table accessories

The look and feel of the table's tapered edge is superb

Table frame with adjustable base glides

300/02
The single table portals that open at the sides by gas lift provide easy access to sockets and ports

300/05
Single table portal Basic, not pictured

300/03
Socket strips

300/04
Socket strips

300/051
Vertical cable management

300/06
Strain anchor for cable channel

In a class of its own: the optional integration of socket strips, ports and wires for multimedia equipment doesn't detract from the Graph table's classy appearance. There is a generously sized, conveniently retractable storage compartment for all the accessories underneath the single table portals.

Oval table example configurations / models and dimensions
